

Weekend Masses Holy Cross Catholic Church

Mass Capacity: 200 congregants (25% capacity)

Holy Cross Catholic Church warmly welcomes you back to Mass!
During this pandemic, we ask that you observe the following precautions:

- *Observe social distancing when traversing the parking lot and while entering/exiting the church
- *Do not enter if you are feeling sick/may be sick/exposed to the sick
 - *Enter and exit through the main doors only
- *Sanitize hands before and after Holy Mass (please plan to provide your own hand sanitizer as the church's resources are limited)
 - *Carefully follow all signs and verbal direction
- *Place tithe in offertory baskets on the baptismal font
- *Observe 6-foot social distancing in the pews (members of the same household need not distance)
- *You are welcome to use your own gloves and mask
- *Exit Mass quickly to allow cleaning teams to prepare for the next Mass

Thank you!!

Points to keep in mind:

The obligation to attend Mass remains lifted.

Parishioners who are 65+, have underlying conditions, or are immunocompromised should consider avoiding gatherings through Phase IV.

When we receive Holy Communion, even the smallest particle of the host, we receive the entire Body, Blood, Soul, and Divinity of Jesus Christ.

Singing will be limited to the music staff/volunteers. We will avoid congregational singing as it produces more respiratory droplets that are expelled farther.
